Dear Sir,

### 2025 NATIONAL ABILYMPICS COMPETITION: PARTICIPATION REGISTRATION

With reference to the above, the Majlis Pemulihan Malaysia or Malaysian Council for Rehabilitation (MCR) is a national non-governmental organisation (NGO) and Malaysia's representative for the Abilympics, responsible for selecting qualified Malaysian persons with disabilities (PWDs) to compete in the International Abilympics.

The Abilympics, which originates from the phrase 'Olympics of Abilities', is an international vocational skills competition for PWDs. The aim and mission of this competition are to bring more PWDs to the forefront, to showcase their potential capabilities, and to provide them with the exposure that they deserve.

As with previous competitions, MCR will bring a delegation of PWDs to participate in the 11<sup>th</sup> International Abilympics, scheduled to be held in Finland in 2027.

In view of that, MCR will be organising the **2025 National Abilympics Competition**, featuring 16 skill categories, to select PWDs representatives for the international competition.
